Question of the week!

Question: I love a great sub sandwich, one with good meat and crusty bread. Have you got any ideas?

Answer: Absolutely. Try Dave's Cosmic Subs for killer submarine sandwiches.. The Crazy Dave is the best, but only if you like your sub spicy, with hot peppers, plenty of Italian cold cuts and great crusty bread. If you like yours milder, try the No. 1, Dave's Original sub, which is pretty much the same as the Crazy without the kick. Another best seller is the Dave's Far Out, a chicken sub with melted cheddar, onions, jalapenos and garlic sauce. Dave's has locations downtown Cleveland at 1918 East Sixth St. and 1619 Euclid Ave., in Hudson at 186 N. Main St. and in Chagrin Falls at 9 River St.
